Hello friends of the Baja-Saxonia,

because of work-related, familiar and also health reasons it was and will be for both of us unfortunately more and more difficult to plan and organize the Baja Saxonia in the well-known quality. We see it as our basic obligation to fulfill the high expectations of the participants and sponsors and to develop the event further in a positiv way so that we all have fun and enjoyment at the Baja Saxonia event. We unfortunately had to find that we on this scale for the foreseeable future, without support, no longer could provide.

We want to say thank you to all the participants, sponsors and the many energetic supporters for four wonderful years, first of all the Mibrag. Without your participation and assistance this event never would be what it is / was. We continue to wish you all a great, eventful and successful off-road year.

**Sincerely
Baja-Event GmbH
